

W/As My Girl

Maxwell

turn the lights down low
sumthin' you gotta see
gotta let you know
all thats here in me
say you wanna go
so we can both break free
baby, ladyya won't open up wide
how could you not open up wide?
how could you do that to me, child?
when you know, know i love you girl
turn the lights down low
tell me what you can see yeah
tell me what you know
bout everything you and me
baby if you wanna go then
i gotta place we can be
lady, lady
how could you not wanna, wanna, wanna, open, open wide?
how could you make me right ha ha?
how could you, how could you do that to me, why?
when you know that i love you girl
loved you girlturn the lights down low
gotta let you know
