## **Woman of Mass Distraction**

## **Alice Cooper**

I'm a shock-rock romeo
I like to leave 'em shattered
Oh, I can love 'em and leave 'em
It doesn't really matterI never met my match

Until I met that lady

She hooked me

She cooked me

She practically filleted meSome girls try and get you in bed

Some girls are like a kick in the head

Some girls make you wish you were dead

Some girls make you blue when you should be seeing red

She's a woman

Some kind of woman

I got a woman

A woman of mass distractionThe first time I saw her

She said she wants to date me

The next time I come back she tried to castrate meSome girls try and get you in bed

Some girls are like a kick in the head

Some girls make you wish you were dead

Some girls make you blue when you should be seeing redShe's a woman

Some kind of woman

I got a woman

A woman of mass distraction

She's a woman

Some kind of woman

I got a woman

She's a woman

She's a woman

Some kind of woman

She's a woman

Some kind of woman
