Unconditionally

Jencarlos

Unconditional, unconditionally I will love you unconditionally

There is no fear now

Let go and just be free

I will love you unconditionallyCome just as you are to me

Don't need apologies

Know that you are worthy

I'll take your bad days with your good

Walk through the storm I would

I do it all because I love you

I love you

Unconditional, unconditionally

I will love you unconditionally

There is no fear now

Let go and just be free

I will love you unconditionallySo open up your heart and just let it begin

Open up your heart and just let it begin

Open up your heart and just let it begin

Open up your heart

Acceptance is the key to be

To be truly free

Will you do the same for me?

Unconditional, unconditionally

I will love you unconditionally

There is no fear now

Let go and just be free

I will love you unconditionallyI will love you

I will love you

I will love you unconditionally
