## Awake and Alive (The Quickening)

## Skillet

I'm in war with the world and they try to pull me into the dark. I struggle to find my faith as i'm slipping from your arms.(It's getting harder to stay awake and my strenght is fading fast you breathe into me at last)I'm awake! I'm alive! Now i know what i believe inside. Now it's my time! I'll do what i want cause this is my life. Here! (right here!) Right now! (right know!) (I stand my ground and never back down) I know what i believe insideI'm awake and i'm alive! I'm in war with the world cause i ain't never gonna sell my soul i already made up my mindno matter what i can't be bought or sold (when my faith is getting weak and i feel like giving inyou breath into me again) i'm awake! I'm alive! Now i know what i believe inside Now it's my time I'll do what i want cause this is my life Here! (Right Here!) Right now! (Right now!) (i stand my ground and never back down) I know what i believe inside I'm awake and i'm alive! Waking up! In the dark I can feel you in my sleep in your arms i feel you breath into me. forever hold this heart that i will give to you Forever i will live for you! I'm awake! I'm alive! now i know what i believe inside now it's my time I'll do what i want cause this is my life Here! (Right here!) Right now! (Right now!)

(i'll stand my ground and never back down) I know what i believe inside I'm awake and i'm alive! Waking up! Waking up!
