

# Science

## System Of A Down

Making two possibilities a reality  
Predicting the future of things we all know  
Fighting off the diseased programming  
Of centuries, centuries, centuries, centuries  
Science fails to recognize the single most  
Potent element of human existence  
Letting the reigns go to the unfolding  
Is faith, faith, faith, faith  
Science has failed our world  
Science has failed our Mother Earth  
Science fails to recognize the single most  
Potent element of human existence  
Letting the reigns go to the unfolding  
Is faith, faith, faith, faith  
Science has failed our world  
Science has failed our Mother Earth  
Spirit moves through all things ...  
Letting the reigns go to the unfolding  
Is faith, faith, faith, faith  
Letting the reigns go to the unfolding  
Is faith, faith, faith, faith  
Science has failed our world  
Science has failed our Mother Earth  
Spirit moves through all things ...  
Science has failed our Mother Earth
