All About It (feat. Ed Sheeran)

Hoodie Allen

Cause I got soul and I won't quit
And your dad don't like it when I talk my shit
Cause I'm all about it baby
I'm all about it baby
Staying up late just to pass the time
And your parents don't like it when you and I getting high

But I'm all about it baby
I'm all about it babyI'm not a rapper just a singer with a game plan
I play guitar no need to worry 'bout my Drake hand
80, 000 people in front of the stage, damn

Waiting for the sun to shine just to rock these Ray Bans I just wanna leak shit (what?)

Not literally leak shit

Wanna push the music through the speakers
Double shot glass, I'm in the back of the pub
My mate Jason at the bar screaming "Who want what?"

Now, please be warned

That every song I feature on has capacity to be reborn I said that anything can happen when I pick up a pen But now I'm all about love so won't you say it again I said I used to be the shy type

Backpack on my back on public transport sort of guy type

Now I'm in the lime light Tryna get my mind right

Body clock is in the clouds so often guess it's high time Hoodie sing the line like

Cause I got soul and I won't quit
And your dad don't like it when I talk my shit
Cause I'm all about it baby
I'm all about it baby

Staying up late just to pass the time

And your parents don't like it when you and I getting high But I'm all about it baby

I'm all about it babyI'm not a singer, I just rap pretty
So now my fan base is full of Megan's and Ashley's
And they're wondering if there's room for them to get in my bus
And I'm like, "Naturally, baby, let me find a spot in the front"
For you, and for your friends

You can be mine, we can pretend
Oh, typical rapper actin' a typical fashion
I'm doing something that's different
I'm tryin' to Paula my patent

Young prince of Manhattan, now everybody believe it Adrien Broner the way I'm ducking and weaving We go together like interceptions and Revis She said the only rapper she lovin' is Yeezus One for the money

Two people since the beginning

Three million records get sold, not everybody is winning

I'm Larry David plus Miles Davis

So, everybody hating and fuck it, I hardly blame 'emCause I got soul and I won't quit
And your dad don't like it when I talk my shit

Cause I'm all about it baby

I'm all about it baby

Staying up late just to pass the time

And your parents don't like it when you and I getting high

But I'm all about it baby

I'm all about it babyAnd they don't know anything about us

Or anything about us

Or anything about it

No, no, noAnd they don't know anything about us

Or anything about us

Or anything about it

No, no, no
