

Just Good Friends

Michael Jackson

Nah na-na na-na-na-na na-nah.

Whoo-hoo!

Kissin'! Hee!

Dog-gone lover!

Go-on boy.

Mmmm-hmmm!

I watched you on the floor

Cheek to cheek.

She's getting to you.

You didn't see

Her eyes on me-no.

She looked right through you.

(Before you make,)

Before you make

(A big mistake.)

Remember

That looks can fool you baby, hee! There's something I would sure appreciate (If-a you can keep a secret.) Baby loves me Though she never shows she cares.

(No, you won't see her kiss and hug me.) Baby loves me Though she acts like I'm not there

(That doesn't mean she doesn't love me-Ooo,) If they ask her

Tell 'em that we're just good friends.

Dah! Chika-chika-chika-ah!

Just good friends.

Ah! Chika-chika-ah! (Non-non doo-doo...) Hee! Aaow!

Just good friends. You better take advice

Never trust first impressions.

I tried to hide this affair.

From their suspicions. So even if she's asking you to stay

You better know where you stand.

Baby loves me

Though she never shows she cares.

(No, you won't see her kiss and hug me.)

M-ma-baby loves me

Though she acts like I'm not there

(That doesn't mean she doesn't love me-Ooo,)

If they ask her

Tell 'em that we're just good friends.

Yes.

Just good friends.

Root-do-do-do.

Just good friends.

Listen up

Hee!
We've got a problem here.
I can see the signs
I guess the lady
Is still making up her mind!
(Say we're just good friends)
Baby loves me
Though she never shows she cares.
No you won't see her kiss and hug me.
(Just good friends)
My baby loves me
Though she acts like I'm not there.
You doggone lover!
Hee!
Aaow!
No-no-no-no-no!
My baby loves me
Though she never shows she cares.
Hee! Hee!
She dosen't kiss and hug me!
(Just good friends)
My baby loves me.
She love me, she love me.
Hee! Hee! Hee!
Whoo-hoo!
My baby dosen't see me!
My baby dosen't see me!
My baby dosen't
Baby dosen't
Baby dosen't
Ahh!
Whoa-whoa-whoa-whoa-whoa-whoa-whoa-whoa.
(Just good friends)
Baby loves me.
She love me, she love me, she love me.
Hee!
Hoo!
Whoo-hoo!
(Non-non doo-doo)
