Phonography

Britney Spears

We're not so different You and me 'Cause we both Share our share of obscenities And everybody's Got some freaky tendencies Hidden or admitted 'Cause we all got needs And I make no apologies (Huh-huh) I'm into Phonography (Huh-huh) And I like my bluetooth, fun's comin' loose I need my hands free (Huh-huh) Then I let my mind roam (Huh-huh) Playin' with my ringtone He got service, I've got service Baby, we can talk all night (Go) Let's talk about biology Make believe you're next to me Phonography, Phonography Talk that sexy talk to me Better make sure that the line is green Keep it confidential, you and me Phonography, Phonography Dirty talking, call it Phonography (Hey!) I can follow All your commands But there will be no talk of Adding you to my plan I'll keep you connected Long as you understand That's how we should keep it Mr. Telephone Man And I make no apologies (Huh-huh) I'm into Phonography (Huh-huh) And I like my bluetooth, fun's comin' loose I need my hands free (Huh-huh) Then I let my mind roam (Huh-huh) Playin' with my ringtone He got service, I've got service Baby, we can talk all night (Go) Let's talk about biology Make believe you're next to me

Phonography, Phonography Talk that sexy talk to me Better make sure that the line is green Keep it confidential, you and me Phonography, Phonography Dirty talking, call it Phonography (Hey!) Baby, if you're not alone Take me off speakerphone What I'm 'bout to say right here Is just for your ears to hear If you need to Hit me back, hit me back I got a star 69 For that shit, for that shit (Go) Let's talk about biology Make believe you're next to me Phonography, Phonography Talk that sexy talk to me Better make sure that the line is green Keep it confidential, you and me Phonography, Phonography Dirty talking, call it Phonography (Hey!) Phonography Phonography (Go) Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
