

Sexy Body

Pitbull & Jennifer Lopez

Mr. Worldwide!

Ha ha ha

With the mami, with the sexiest body

J.Lo, let's ride! I would like, to get, to know you baby

Like, to get, a piece of that sexy body

I would like to get, to know you baby

Like, to get, a piece of that sexy body

Like, to get, a piece of that sexy body

A piece of that sexy body

I got the flow to take over the globe

Yeah

I got the cribs from the [?]

I got the jet fueled up, ready to go

I put my money where my mouth is

I got the bread, the blow

Baby believe me, Baby you need me

Don't deceive me, then we'll be straight

And whenever you see me

Baby just tease me

I like a little foreplay, yeah that's great

Now you're thinking that you know me

But you don't cause I do things these men won't

These boys act like they're ballers

But they ain't

I definitely do the things that they can't

I'm in my own world, girl, no rules, no laws

No thongs, no bras

Now show me that sexy body, baby, I wanna see it all

I would like, to get, to know you baby

Like, to get, a piece of that sexy body

I would like, to get, to know you baby

Like, to get, a piece of that sexy body

Like, to get, a piece of that sexy body

A piece of that sexy body S for the sex

E for the e in ex

X, forget about your ex

Y, cause baby, I'm up next

B for the best

O for the one

D cause I'm down

Y, yolo, done

Home run, grand slam

I am, the man
Your the Biddy bidy bang bang bang her, that thing
Now I'm back into form, girl they're no rules
Right hit wonder, I can hit a fuse
Been like that since high school
If it ain't broke, why fix it?
This shit get lifted
Word to the wise; keep it long distance
Don't need assistance, mind your business
I hit and run, but when it comes to a sexy body, you're the one
Got a feeling that maybe this was
just meant to be
Let's go, oh
Wanna feel you come in close like you belong to me
I would like, to get, to know you baby
Like, to get, a piece of that sexy body
I would like, to get, to know you baby
Like, to get, a piece of that sexy body
I would like, to get, to know you baby
Like, to get, a piece of that sexy body
I would like, to get, to know you baby
Like, to get, a piece of that sexy body
Like, to get, a piece of that sexy body
A piece of that sexy body
