

Temple Of Bones

Macabre

Temple of bones
Jeffrey's shrine to the dead
Skulls as garnishment
Spray painted craniums
Black table and chair
Blue lights and blue curtains
Spray painted craniums
Spray painted craniums
Temple of bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
The police said sketch your
Masterplan
Jeffrey drew a diagram
A blueprint for his morbid throne
Constructed with his victim's bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
Temple of bones
