

Jaded (feat. Alex Gaskarth)

ONE OK ROCK

Don't wait for your life, for your life
The time is right
Don't wait for your life, for your life
Sometimes gotta try
Gotta fight for what you want
Don't wait for you life, for your life Never stop on getting who you are Jaded, feeling like you [?]
I believe, I believe, I believe in you
Even after all this time
Jaded, don't you wanna feel alive
I believe, I believe, I believe in you
I believe that we will never die
See all the signs, what a sight
Like September rain when it falls in the night
Don't wait for your life, wait for your life
Like September rain
Sometimes gotta fight
Jaded, feeling like you [?]
I believe, I believe, I believe in you
Even after all this time
Jaded, don't you wanna feel alive
I believe, I believe, I believe in you
I believe that we will never die
