

Red Coupe (feat. London Jae)

Skeme

Mario

808Mafia[London Jae:]

Red Coupe Chanel Boots

Lil Mama You fat, I tell you

Yeah I am a hustler, I might Sell you

Not here on a deal, bitch I'ma nail you

Step Harder, And you know it

I am on bars and you know it

I got'em cars and you know it

I'ma garrage you and you know it

Red Coupe Chanel Boots

Lil Mama You fat, I tell you

[Skeme:]

There right here just me and London

I might take your hoe out to the London

Might just jump in that pussy no bungee

I not a last nigga who will get no money

Real Blind like a vampire

I want nothin but blue with them hunnids

And I need atleast like a record those

I don't know what the rap niggas actin for

Baby don't fuck with nothin else but the real niggas

She allergic to fake shit

I give you dick back to back to back to back

I don't need the brake shit

See I give the rollie a facelift

VVs flooding on the face bitch

Pull up in foreigners and just murk in the parking lots

And then I go beat the case bitch

Red Coupe with chanel boots

That's type of girl I can call boo

She the type that you saw as ready for you

Everytime you tell her fall through

You don't be giving me problems and nothin baby

That's why I skip all the talking and get to the fucking baby

[London Jae:]

[?][Skeme:]

Lil mama you know that you fly

You know that you fire

You know that you flyin

Girl let's put tac on my wrist

Gotta tell that don't you waste time

With the mimes
Baby you know that you fly
You know that you fire
You know that you flyin
And if you fuckin those broke niggas
I think there to stop for a change yeah
Benzie I m switchin my lane yeah
Rari I m switchin my lane yeah
Lambo I m switchin my lane yeah
Pour up and sip for pain, yeah
Pour up just for pain, yeah
Pint me a perk for the pain, yeah
Sip on that remi [?] pour me molly
To come to and get you the thang yeah
(Hoooooh shit)
Don't play with this plan
Because girl that's a violation
Ain't no time like the present baby
So what's use of all that time wasting
VVS's only shine crazy
I mean VVS's only shine brazy
And I get that dick to her on that drank
And pour another line baby[London Jae:]
[?][Skeme:]
I just here tell you something baby
Listen stop playin around with all that bullshit baby
Because if you do that you slippin soon you know what I am saying
You need to turn around to see what you trying down baby
Because it's real shit going all around this motherfucker
You didn't knew now you do
TM8HL fool for this shit nigga
S/O to my nigga Weezy Going Crazy brazy crazy
West side INGLES, I love that shit
