

# Jump Around (feat. Waka Flocka Flame)

KSI

Jump around! Jump around! Jump around!  
Jump up, jump up and get down!Pack it up, pack it in, let me begin  
It's K-S-I yeah, here we go again  
Techin' with the flow, bussin' like i'm gin  
Got the people saying: "JJ, you're going in!"  
The new jumpman, from the UK gang  
[?] that 2K Slam  
And all around the world I talk that UK slang  
They say: "I don't understand you, but you ain't bad"  
(Jump around!)  
Skip the ad and get straight to the point  
(Jump around!)  
Get a cab and get straight to that joint  
(Jump around!)  
And this ain't about makin' some coins, I just want to see the whole crowd makin' some noise  
(Jump around!)  
Everytime when we go all in in the club  
(Jump around!)  
Everytime when we go ballin' as a MOB  
(Jump around!)  
All together when we jump up we go off  
Jump up, jump up and get down!Everybody jump, jump, jump, jump, jump, jump, jump  
Everybody jump, jump, jump, jump, jump, jump, jumpJump when it's playin', jump on a plane  
Jump in a whip, jump on a stage  
Jump in a hotel, jump in a rave  
Jump in an Aston, jump in a [?]Get a birds eye view, lose your mind 'til you get a worse IQ  
Her eyes brown and her eyes blue  
It's not a problem if I haven't said her what I do  
(Jump around!)  
Skip the ad and get straight to the point (Jump around!)  
Get a cab and get straight to that joint (Jump around!)  
And this ain't about makin' some coins, I just want to see the whole crowd makin' some noise  
(Jump around!)  
Everytime when we go all in in the club  
Everytime when we go ballin' as a MOB  
All together when we jump up we go off  
Jump up, jump up and get down!Everybody jump, jump, jump, jump, jump, jump, jump  
Everybody jump, jump, jump, jump, jump, jump, jumpJump when it's playin', jump in a plane  
Jump in a whip, jump on a stage  
Jump in a hotel, jump in a rave  
Jump in an Aston, jump in the rainJump up and down, shorty moshpit  
Jump up and down, shorty moshpit

Jump up and down, shorty moshpit  
Your main girl look like a sidechick  
My dreads lie wild like a rockstar  
Party turned up, we don't need a ball  
I came a long way from a rockstar  
Look at Waka Flocka Flame standing on a cop car  
Off the car crowdsurf in the crowd  
Everybody hands up, yeah loud  
I'm a party animal, I took a bow  
Me and KSI, boy it's going down Everytime when we go all in in the club  
Everytime when we go ballin' as a MOB  
All together when we jump up we go off  
Jump up, jump up and get down! Everybody jump, jump, jump, jump, jump, jump, jump  
Everybody jump, jump, jump, jump, jump, jump, jump Jump when it's playin', jump in a plane  
Jump in a whip, jump on a stage  
Jump in a hotel, jump in a rave  
Jump in an Aston, jump in the rain
