

Love Is Bigger Than Anything in Its Way

U2

The door is open to go through
If I could I would come too
But the path is made by you
As you're walking start singing and stop talking Oh, if I could hear myself when I say
Oh, love is bigger than anything in its way So young to be the words of your own song
I know the rage in you is strong
Write a world where we can belong
To each other and sing it like no other Oh, if I could hear myself when I say
Oh, love is bigger than anything in it's way If the moonlight caught you crying on Killiney Bay
Oh sing your song
Let your song be sung
If you listen you can hear the silence say
When you think you're done
You've just begun
Love is bigger than anything in its way
Love is bigger than anything in its way
Love is bigger than anything in its way
