I should've known it from the start what I was in for.
She drank a tin full, she copied, we exchanged some info.
Called her on the tele, conversation was sinful,
Ain't playin' games, my game, retain the tempo.
And things, no shame, two sparks turned into flames.
Nymphos in the park, just dancin' in the rain.
Hook me with this fix, and look to drain my aim,
Some never retain what would then suck from your veins. So baby I ask you... (What do you
want from me)
So baby I ask you... (What do you want from me)
So baby I ask you... (What do you want from me)
So baby I ask you... (What do you want from me)
So baby I ask you... (What do you want from me)
So baby I ask you... (What do you want from me)
So baby I ask you... (What do you want from me)
You see this time, I cannot ever love another cunt.
You drink ass slut, love twice and you'll get fucked.
You see this time, I cannot ever love another cunt.
You drink ass slut, love twice and you'll get fucked. Breathless, restless us from the pain, if I ask.
A shame 'cause a game kept playin' me wrong.
Promise not to ever sing a damn 'nother song,
Until I realize who the fuck I am. A man out of sync with his own program, tryin' to find some
kind of inner link.
A man out of sync with his own program, tryin' to find some kind of inner link. So baby I ask
you... (What do you want from me)
So baby I ask you... (What do you want from me)
So baby I ask you... (What do you want from me)
So baby I ask you... (What do you want from me) You see this time, I cannot ever love another
cunt.
You drink ass slut, love twice and you'll get fucked.
You see this time, I cannot ever love another cunt.
You drink ass slut, love twice and you'll get fucked.
Ah, yeah. She's the epitome of sweet misery,
The sweeter the stroke, the deeper the pain given.
Your bitten bones as an angel, angle sex-driven.
Dangerous sex kitten, warm as a mitten.
Fittin' like a glove, with abstract relations,
Testin' all my patience, push comes to shove.
Emotional masturbation, fuckin' with my love,
Fuckin' with my life, fuckin' all the above. You see this time, I cannot ever love another cunt.
You drink ass slut, love twice and you'll get fucked.

You see this time, I cannot ever love another cunt.
You drink ass slut, love twice and you'll get fucked. You see this time, I cannot ever love
another cunt.

You drink ass slut, love twice and you'll get fucked.

You see this time, I cannot ever love another cunt.

You drink ass slut, love twice and you'll get fucked.
