Stir It

Omi

Uh yeah I know what I want And I want it right now, right now I know what I need And I need right now, right now 'Cause you're looking at me Like you thinking to do I don't see nobody here (nobody) But us twoWe can stir it all night Girl your body so tight We can stir it all night You can follow back now Don't want nothing back now We can stir it all night Girl your body so tight We can stir it all night You can follow back now Don't want nothing back nowI'm making you hot I'ma give it to you right now, right now I know what you got And I want it right now, right now Uh, let me put it on you, aha 'Cause I know I could do I don't see nobody here (nobody) But us twoWe can stir it all night Girl your body so tight We can stir it all night You can follow back now Don't want nothing back now We can stir it all night Girl your body so tight We can stir it all night You can follow back now Don't want nothing back nowOh let me hear you say, oho Oh let me hear you say, oho Hey give it to me now And let me put it on you Yes I know what to do Ain't nobody here (nobody) But us twoWe can stir it all night Girl your body so tight We can stir it all night

You can follow back now Don't want nothing back nowWe can stir it all night Girl your body so tight We can stir it all night You can follow back now Don't want nothing back now
