

# The Story of Us

## Taylor Swift

I used to think one day  
I would tell the story of us  
How we met  
And the sparks flew instantly  
People would say  
That they're the lucky ones  
I used to know  
My place was a spot next to you  
Now im searchin the room  
For an empty seat  
Cuz lately I dont even know  
What page you're on  
Oh a simple complication  
Miscommunications lead to fall out  
So many things that I wish you knew  
So many walls up I can't break through  
Now im standin alone  
In a crowded room  
And we're not speakin  
And im dyin to know  
Is it killin you  
Like its killing me yea  
I dont know what to say  
Since the twist of fate  
When it all broke down  
And the story of us  
Looks alot like tragedy now  
Next chapter  
How'd we end up this way  
See me nervously  
Pulling my clothes  
Trying to look busy  
And you do doin your best  
To avoid me  
Im starting to think one day  
I'll tell the story of us  
So i was losing my Mind  
When you saw you here  
But you held your pride  
Like you should've held me  
Oh im scared to  
See the ending  
Why are we pretending  
This is nothing  
I'd tell you i miss you  
But i dont know how  
I never heard so  
I was quite this loud

Now im standing alone  
In a crowded room  
And we're not speakin  
And im dyin to know  
Is it killin you  
Like its killing me  
I dont know what to say  
Since a twist of fate  
When it all broke down  
And the story of us  
Looks alot like tragedy now  
This is lookin like a contest  
And they act like they care less  
But i liked it better  
When you were on my side  
The battle is in your hands now  
But i will lay my armour down  
If you say you will  
Never let them fight  
So many things that  
You wish i knew  
But the story of us  
Might be ending soon  
Now im standin alone  
In a crowded room  
And we're not speakin  
And im dyin to know  
Is it killin you  
Like its killin me  
I dont know what to say  
Since a twist of fate  
When it all broke down  
And the story of us  
Looks alot like tragedy now now now  
And we're not speakin  
And im dying to know  
Is it killing you  
Like its killing me  
I dont know what to say  
Since a twist of fate  
Cuz we're going down  
And the story of us  
Looks alot like tragedy now  
The End.
