

# I Don't Know Why

Colin Hay

I don't know why  
why you had to leave me  
and i don't know why  
you said goodbye  
only if i try  
can i feel the earth beneath me  
and as days go by  
i come alive the fall of your hair  
the feel of your skin  
and the smile on your face  
as you took me in now i lie  
and stare at the sky  
still i wonder why  
i don't know why  
you said that you'd release me  
no matter how i try  
i still feel you i watched a falling leaf  
drifting down towards me  
carried by the wind  
it disappeared i sat in disbelief  
at what had become of me  
and as the day grew dark  
i rose to go and as i walked along  
i thought i heard you call me  
alas i was alone  
so i went home  
the fall of your hair  
the feel of your skin  
and the smile on your face  
as you took me in now i lie  
no longer cry  
but still i wonder why  
i don't know why  
you were taken from me  
i cannot forget  
or say goodbye
