## Love etc. (2017 Remastered Version)

## **Pet Shop Boys**

Boy, it's tough getting on in the world when the sun doesn't shine and a boy needs a girl It's about getting out of a rut you need luck but you're stuck and you don't know how (oooh)(Don't have to be) A big bucks Hollywood star (Don't have to drive) A super car to get far (Don't have to live) A life of power and wealth (Don't have to be) Beautiful but it helps (Don't have to buy) A house in Beverly Hills (Don't have to have) Your daddy paying the bills (Don't have to live) A life of power and wealth (Don't have to be) Beautiful but it helps (You need more) Than a big blank cheque to be a lover or a Gulfstream jet to fly you door to door somewhere chic on another shoreYou need more, you need more, you need moreYou need more, you need more, you need more, you need love You need love You need love Too much of anything is never enough Too much of everything is never enough Boy, it's tough getting on in the world when the sun doesn't shine and a boy needs a girl It's about getting out of a rut you need luck but you're stuck and you don't know how (oooh) (Don't have to be)A big bucks Hollywood star(Don't have to drive) A super car to get far

(Don't have to wear) A smile much colder than ice (Don't have to be) Beautiful but it's nice (You need more) Than the Gerhard Richter hanging on your wall a chauffeur-driven limousine on call to drive your wife and lover to a white tie ball You need more, you need more, you need more You need more, you need more, you need more You need love I believe that we can achieve the love that we need I believe call me naive that love is for free (oooh) (Don't have to be) A big bucks Hollywood star (Don't have to drive) A super car to get far (Don't have to live) A life of power and wealth (Don't have to be) beautiful but it helps beautiful but it helps beautiful but it helps Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
