Crazy

Daniela Andrade

I remember when
I remember, I remember when I lost my mind
There was something so pleasant about that place

Even your emotions have an echo in so much spaceAnd when you're out there without care

Yeah, I was out of touch

But it wasn't because I didn't know enough I just knew too muchDoes that make me crazy?

Does that make me crazy? Does that make me crazy?

Possibly

Come on now, who do you

Who do you, who do you think you are?

Ha ha ha, bless your soul

You really think you're in control? Well, I think you're crazy

I think you're crazy

I think you're crazy

Just like me

Ever since I was little

Ever since I was little

It looked like fun

And it's no coincidence I've come

And I can die when I'm done

But maybe I'm crazy

Maybe you're crazy

Maybe we're crazy

Probably
