

# Arizona

## 100 Monkeys

Oh yes she's gone to Arizona  
With my money, with my money  
Yes, she's gone to Arizona  
With my money, with my money  
She's got a friend  
Yes, a real pretty friend  
But she's gone to Arizona  
Took my money and ran  
Oh yes she's gone to Arizona  
With my money, with my money  
Yes she's gone to Arizona  
With my money, with my money  
I've got a gun, it's a black shiny gun  
Yeah I've got a gun, it's a black shiny gun  
Well I've been doin' some thinking  
Thinkin' it's a good thing she's gone so far  
I feel Arizona rising  
I feel the devil's on the run  
I feel Arizona rising  
Look out ladies here I come!  
All's fair in love and war  
But this is business Baby!  
Oh yes she's gone to Arizona  
With my money, with my money  
Yes she's gone to Arizona  
With my money, with my money  
I've got a gun, it's a black shiny gun  
Yeah I've got a gun, it's a black shiny gun  
Well I've been doin' some thinking  
Thinkin' it's a good thing she's gone so far  
I feel Arizona rising  
I feel the devil's on the run  
I feel Arizona rising  
Look out ladies here I come!
