

Like It or Not (feat. Sleepy Brown)

Bubba Sparxxx

(feat. Sleepy Brown) All the way from Athens, the A-T-L shawty (Bubba Sparxxx)

Uhh, Sleepy Brown

Uhh, Bubba Sparxxx

We gon' keep doin it baby

Whether you like it or not. uhh (Chorus: Sleepy Brown + (Bubba)

Ain't a damn thang pretty

From dirt roads to the city, uhh

(You might catch me drunk in the pub)

(Or either crunk in the club)

WHETHER YOU LIKE IT OR NOT

Don't matter where I hang

People love my twang, uhh

(Call us country or Southerners mayn)

(We gon' keep doin our thang)

WHETHER YOU LIKE IT OR NOT

(Sleepy Brown)

Rollin up +So Fresh, So Clean+

Wood grain, big screen TV's

Uhh, I got the bump-bump in my trunk now

Uhh, I'm 'bout to, I'm 'bout to funk

Now all the ladies seem to like my style

Guess I'll be here for a while, mmm

To see who wants to come and be with me

I'll take you back to the flat so I can show you where it's at, c'mon

Ohh, wee - look at me

Movin 'cross the floor so easily

Oh, my, can't deny

This funk starts high in the sky

I'm 'bout to get my groove on

Uhh, I'm 'bout to bust a move on 'em

Uhh, there's no-thing you can do for 'em

Uhh, cause I'm checkin the spot if you really like it or not

(Chorus)(Bubba Sparxxx)

I know you hate it, I'ma say it to you anyway

I'm 'bout to throw them 24's on that Escalade

Still I got the Mickey T's on the Chevrolet

Z-7-1, the mere sight'll take your breath away

It's today but I'm still on it like it's yesterday

Throw me the ball, this the game that I was bred to play

And pass the cooler with this stewardess named Desiree

You ain't no concern, I'ma wait and see what Heaven say

I got a brother by the name of Snicky Ricky Wade

He said - Bubba, real careers ain't quicky quickly made
 My other brother by the name of Patrick "Sleepy" Brown
 Said that our +Noize+ is the type that you should keep around
 They led me through the forest, took me to the wizard Ray
 He told me that tomorrow won't be what it is today
 I said, "Damn, that's just what my brother Tim would say"
 I'm back at home, just how long have I been away?(Chorus)(Bubba Sparxxx)
 I'm the type that you might see with Petey Pablo
 Chasin fielder's dream with corn and three Diablos
 And I'll be blessed to death if I see tomorrow
 But I'ma live to get my son a lead that he can follow
 I might can't flip a brick but bet that I can move a pound
 And if you call yourself the king, well then there's two in town
 Regardless where you from, what you do, or who you found
 You best to get to practice early for the shoot-around
 Cause Bubba don't play, do them thangs you won't say
 Be damned if I even pull my {dick} out and don't spray
 Daddy told me just to do them thangs he never did
 Breakin broads, get money, live your life and treasure it
 And that's the least that I can do, for the man who
 raised me up and through his faults helped me understand you
 And now I'm certified, New South pioneer
 Born and raised down here, best believe I'm dyin here(Chorus)(Bubba Sparxxx)
 For all my rebels ridin dump truck, heavy Chevy's, Cadillacs
 Hot rods, no seats, in the back
 Browning, thirties-thirties, in the rack
 Guaranteed, leave your land, where you at?
 Dump truck, heavy Chevy's, Cadillacs
 Hot rods, no seats, in the back
 Browning, thirties-thirties, in the rack
 Guaranteed, leave your land, where you at?
 Sump truck, heavy Chevy's, Cadillacs
 Hot rods, no seats, in the back
 Browning, thirties-thirties, in the rack
 Guaranteed, leave your land, where you at?Bubba Sparxxx! (YEAH)
 Organized Noize (YEAH) Beat Club
 Timbo (YEAH) the whole New South
 Real down South Georgia boy
 Real country white boy, real HARD
 Get it together, a new beginning.
