

Antenna (ft. Wyclef Jean) [Remix]

Fuse ODG

She done do me wayooo (she has made me feel amazing)
But she done spent my money oh
What I'm gonna tell my mommy oh I should've listened before
She da do me like antenna
She's just controlling my phone
She dey do me like antenna
I don't get reception no more
She da do me like antenna
She done do my mind go so low
She dey do me na antenna
Cause every day she's switching my mind oh
She wanna chop my 'P' do I look like square?
I mean do you really care?
Cause what's yours you keep you don't really share
I see how you moving there
You better just stay in line
All I wanna do is just make you mine
You make my heart beat like playing rhyme
Now you wanna leave and say goodbye
African Lady
You know sey you drive me crazy
I can't let you do me shady
The things that you do don't phase me
London Baby You know that you drive me crazy
I can't let you do me shady
The things that you do don't phase me
She da do me why oh
But she done spent my money oh What I'm gonna tell my mommy oh
I should've listened before She da do me like antenna
She's just controlling my phone
She dey do me like antenna
I don't get reception no more
She da do me like antenna
She done do my mind go so low
She dey do me na antenna
Cause every day she's switching my mind oh
You can't fool with me I gave you my all (oh he gave you his all)
I fell in love with you and you made me fall (oh you just made him fall)
I copped you a ring like I make a call (oh you didn't even call)
But I'll shake it off I'm on the floor (Azonto all on the floor)
Asian lady, you know sey you drive me crazy I can't let you do me shady
The things that you do don't phase me

American baby, you know that you drive me crazy
I can't let you do me shady
The things that you do don't phase me This girl she do me wrong-o (she do me wrong-o)
I can't believe that she broke our bond oh (she broke our bond oh)
This girl she do me wrong oh (she do me wrong-o)
But what don't kill you will make you strong oh (will make you strong-o) She dey do me
wayooo
But she dey spent my money oh What I'm gonna tell my mami oh
I shoulda listened before
She da do me like antenna
She's just controlling my phone
She dey do me like antenna
I no get reception no more
She da do me like antenna
She done do my mind go so low
She dey do me na antenna
Cause every day she's switching my mind oh
Watch the way I do my Azonto, Watch the way I do my Azonto
Watch the way I do my Azonto, Watch the way I do my Azonto
Watch the way I do my Azonto, Watch the way I do my Azonto
Watch the way I do my Azonto... It's off the ground
