

Dump

Wimps

I haven't cleaned my room for weeks.
Pizza crumbs are in the sheets.
There's a stranger on the couch.
Don't know when he's moving out.I live in a dump.
I live in a dump.
I live in a dump.
I live in a dump.Something's living in the floors.
Rats as big as dinosaurs.
I've got no light.
I've got no heat.I live in a dump.
I live in a dump.
I live in a dump.
I live in a dump.
???? struggling in the backyard.
Smells like Grimace is smokin' weed.
My dump has everything I need.
See a cop out of my window.
He knocks on my front door.
He says you don't live here anymore.I live in a dump.
I live in a dump.
I live in a dump.
I live in a dump.
I live in a.Bongwater on the carpet.
Shit river in the backyard.
Vomit stains in my closet.
I guess that this is my home.
Bongwater on the carpet.
Shit river in the backyard.
Vomit stains in my closet.
I guess that this is my home.
