YeahYeahThat's how you had it, yeah  
Pretty sureIt is, it's goes clapping a bitSomething just in that way  
Alright, here we goYou go up and down this timeI'm writing the future  
I'm writing it out, loud  
We don't talk about the past  
We don't talk about the past now  
So, I'm writing the future  
I'm leaving a key here  
Something won't always be missing  
You won't always feel emptierAh-ah, mm-mm  
Ah-ah-ah-ah, mm-mmJust think of the future  
And think of your dreams  
You'll get away from here  
You'll get away eventually  
So, just think of the future  
Think of a new life  
And don't get lost in the memories  
Keep your eyes on a new prizeAh-ah-ah, ah-ah  
Ah-ah-ah, ah-ah  
Mm
