Shattering the Skies Above

Trivium

Take me into the seas So I can clean, off this disease Death will complete me It is what I needYa! Take my evil, to the skies Take my evil, all light diesShattering the Skies Above I want to destroy all that you love Shattering the Skies Above I won't rest 'til I am drenched in bloodTake me into the seas So I can clean, off this disease Death will complete me It is what I need Take my evil, to the skies Take my evil, all light diesShattering the Skies Above I want to destroy all that you love Shattering the Skies Above I won't rest 'til I am drenched in bloodTake my evil, to the skies Take my evil, all light diesShattering the Skies Above I want to destroy all you love I'm Shattering (Shattering the Skies Above) Shattering the Skies Above I won't rest 'til I'm drenched in blood I'm ShatteringTake my evil, to the skies Take my evil, all light dies Shattering the Skies Above I want to destroy all that you love Shattering the Skies Above I won't rest 'til I am drenched in bloodShattering the Skies Above Shattering the Skies (The skies above)
