

Endless, Nameless

Nirvana

Silence
Here I am
Here I am
SilentBright and clear
It's what I am
I have
DiedMama, Mama, Mama, Mama
Death
With violence
Excitement
Right here
Died
Go to hell
Here I amRight here
Ow!
Mamas, Mamas, Mamas, Mama
Death
Is what I am
Go to hell
Go to jail
In back of that
Crime
Here I am
Take a chance
Dead
Die!
