

# Leave the City

## twenty one pilots

[Verse 1]

I'm tired

Of tending to this fire

I've used up all I've collected

I have singed my hands

It's glowing

Embers barely showing

Proof of life in the shadows

Dancing on my plans[Chorus]

They know that it's almost

They know that it's almost over

They know that it's almost

They know that it's almost over

[Verse 2]

The burning

Is so low it's concerning

'Cause they know that when it goes out

It's a glorious gone

It's only

Time before they show me

Why no one ever comes back

With details from beyond[Chorus]

They know that it's almost

They know that it's almost over

They know that it's almost

They know that it's almost over

They know

They know that it's almost over

They know

They know that it's almost over

They know

They know

They know

[Bridge]

In time, I will leave the city

For now, I will stay alive

In time, I will leave the city

For now, I will stay alive

In time, I will leave the city

For now, I will stay alive

In time, I will leave the city

For now, I will stay alive[Chorus]

They know that it's almost  
They know that it's almost over  
They know that it's almost  
They know that it's almost over  
They know  
They know[Verse 3]  
Last year  
I needed change of pace  
Couldn't take the pace of change  
Moving hastily  
But this year  
Though I'm far from home  
In TRENCH I'm not alone  
These faces facing me[Outro]  
They know  
They know  
What I mean
