

Little Caesar

Kiss

Ten million stories in the city
Ten million backs against the wall
Desperation's out tonight
You can cut it with a knife
Everybody wants to have it all Well, they tell you that the world is rough
But they never rocked it hard enough Hey Little Caesar, nobody messing with you
Hey Little Caesar [(hey Little Caesar)]
Go show 'em what you can do
Yeah, now listen Nobody said that it was pretty, no no
You haven't got a penny or a prayer
You know it's gonna be a fight
If you wanna see your name in lights
Ain't nobody gives a damn out there
Well you got your guts and you've got your pride
But you'll never let them see inside Hey Little Caesar, nobody messing with you
Hey Little Caesar [(hey Little Caesar)]
Yeah, now go show 'em what you can do Well you don't believe in the books and rules [(woah)]
'Cause you just believe in what you know is cool [(woah)]
Well they tried to tell you that the world is rough
But they never rocked it hard enough [(woah)]
I can't hear you [(woah)] Oh yeah
Well, they just don't understand
You gotta fight to be a man, yeah Hey Little Caesar, nobody messing with you
Hey Little Caesar, go show 'em what you can do
Hey Little Caesar, oh yeah, that's what it is
Hey Little Caesar, yeah
Woah, come on
[(Woah, woah)]
Hey Little Caesar
Now show 'em, yeah
