Ends of the Earth

Lord Huron

Oh, there's a river that winds on forever I'm gonna see where it leads Oh, there's a mountain that no man has mounted I'm gonna stand on the peakOut there's a land that time don't command Wanna be the first to arrive No time for ponderin' why I'm a-wanderin' On while we're both still aliveTo the ends of the earth would you follow me? There's a world that was meant for our eyes to see To the ends of the earth would you follow me? If you won't, I must say my goodbyes to thee Oh, there's an island where all things are silent I'm gonna whistle a tune Oh, there's a desert that size can't be measured I'm gonna count all the dunesOut there's a world that calls for me, girl Headin' out into the unknown Wayfarin' strangers and all kinds of danger Please don't say I'm going aloneTo the ends of the earth would you follow me? There's a world that was meant for our eyes to see To the ends of the earth would you follow me? Well if you want, I will say my goodbyes to me I was a-ready to die for you, baby Doesn't mean I'm ready to stay What good is livin' a life you've been given If all you do is stand in one place I'm on a river that winds on forever Follow 'til I get where I'm goin' Maybe I'm headin' to die but I'm still gonna try
