

The One Thing

INXS

Well you know just what you do to me
The way you move soft and slippery
Cut the night just like a razor
Rarely talk and that's the danger It's the one thing
You are my thing You know your voice is a love song
It's a cat call from the past
There's no ice in your lovers walk
You don't look twice cause you move so fast
It's the one thing
You are my thing You've got a dozen men behind you
You've got dead flowers on the floor
You're too pretty in the daylight
It keeps them coming back for more
(Because you know I love you) It's the one thing
You are my thing
It's the one thing
You are my thing It's the one thing
You are my thing
