

# Ass Drop

Wiz Khalifa

Goddamn, Goddamn  
How the hell you get all that ass in them pants  
How you drinking and you ain't got no glass  
Now how you came in here and you ain't got no man, what  
Damn, to me you look perfect  
Bend that ass over; let me see how you work it  
Popping and shaking, get on your knees hit the dirt  
Girl I go so deep in that pussy while he just hitting the surface  
What is you saying? Drop it down on it  
Made me get a couple bands drop it down on it  
Make you get a couple friends drop it down on it  
Turn around drop it down, drop it down on it  
Do it for a real nigga, do it for a boss  
Do something for a boss, do something for a real nigga  
Go and do something for a boss  
Do something for a boss, do something  
You got a ass make a nigga wanna buy a ring  
You got a ass make a nigga spend everything  
You got a ass make a nigga wanna buy a ring  
You got a ass make a nigga spend everything  
If you've got an ass like the girls in the videos, go and bring it my way  
Ass so big it could swallow up a stripper pole  
I ain't playing, no I ain't playing  
Bust it down on me I need it, throw it a boss wanna see it  
Just give me a call and i'll beat it  
I'll be all where your seat is  
Mary jane got me moving slow, I blow that by the (ounce)  
Uh  
Drop it down on it  
Made me get a couple bands drop it down on it  
Make you get a couple friends drop it down on it  
Turn around drop it down, drop it down on it  
Do it for a real nigga, do it for a boss  
Do something for a boss, do something for a real nigga  
Go and do something for a boss  
Do something for a boss, do something Got a fat ass go 'head  
Shake that shit  
Got a fat ass go 'head  
Shake that shit  
Got a fat ass go 'head  
Shake that shit  
Got a fat ass go 'head

Shake that shit Drop it down on it  
Made me get a couple bands drop it down on it  
Make you get a couple friends drop it down on it  
Turn around drop it down, drop it down on it  
Do it for a real nigga, do it for a boss  
Do something for a boss, do something for a real nigga  
Go and do something for a boss  
Do something for a boss, do something
