

# Carbon Copy Killer

## Scarlet

Killing spree for the disposable moderns  
Right now you are the plastic dolls of today  
Slowly dismembering yourselves

You are an army of decay  
Killing time with flash and shine  
I'm your carbon copy killer  
I know all your secrets  
What's that stench behind your closed door  
Who's that corpse on your  
bathroom floor

Your vanity pimps you  
Your mirror owns you  
Let me smear your makeup  
Let me break your porcelain face
