

# Man In the Rain

Mike Oldfield

You're the one who's nearly breaking my heart.  
Had your chance, you just threw it all away.  
Living in a world that you could never be a part of  
And never time to walk away. You can't stay, no, you can't stay. You're no loser, there's still time  
to ride that train  
And you must be on your way tonight.  
Think anew right through, you're a man in the rain.  
What's the use in hanging round these walls.  
Lamps are burning, but nobody's at home.  
There's a new day dawning as a cold rain falls  
And now's the time to walk alone.  
You can't stay, no, you can't stay. You're no loser, there's still time to ride that train And you  
must be on your way tonight.  
Think anew right through, you're a man in the rain. How's it feel when there's time to remember?  
Branches bare, like the trees in November. Had it all, threw it all away. Now's the time to walk  
away.  
You can't stay, no, you can't stay. You're no loser, there's still time to ride that train  
And you must be on your way tonight. Think anew right through, you're a man in the rain. How's  
it feel when there's time to remember?  
Branches bare, like the trees in November.  
How's it feel when there's time to remember?  
Branches bare, like the trees in November.  
Threw it all away, threw it all away  
And now's the time to walk away.  
You can't stay, no, you can't stay.  
You're no loser, there's still time to ride that train  
And you must be on your way tonight.  
Think anew right through, you're a man in the rain.  
Through it all the way, through it all the way.  
And now is the time to walk away.  
You can't stay, no, you can't stay.  
You're no loser, there's still time to ride that train  
And you must be on your way tonight.
