

Do It In the AM

FM, Frankmusik
FM, Far East Movement
FM, FM, FM Pick you up, pick you up
Play me like your favorite song
Lick it up, lick it up
Drink tequila till it's gone
You know I like what you do
You paint the time like I'm blue Like a glove, like a glove
Gonna fit you like a glove
Drop it down by the bound
Now this room is showing love
This love is stronger than life
We only run things at night
We only do it in the AM
We only do it in the AM
We only do it in the AM
We only do it in the A to the M
Then we do it again, baby Get it now, get it now
Gonna show some people how
You impress, you impress
Competition ain't the best
Last ones in, first ones out
Baby, we ain't the crowd From our seats, from our seats
Everybody wants a piece
Watcha think, buy a drink
Keep on shining til we sink
We got our own little crew
And we ain't following you
We only do it in the AM
We only do it in the AM
We only do it in the AM
We only do it in the A to the M
Then we do it again, baby No time for chit chat, blah, blah
Let's get down to business, yeah
I don't play around when the club shuts down
I'm a zombie
How to kill this? Midnight mansion, don't mention
Holiday inn or the champagne's flashing
Free wired with the Far East Movement and Frankmusik
We party crushin' Get love in the AM
Get, get love in the A, AM
Get love in the AM

Get, get love in the A, AMFM, Frankmusik

We only do it in the AMA to the M then we do
A to the M then we do
A to the M then we do
A to the M then we doA to the M
Then we do it again, baby
A to the M
Then we do it again, baby
A to the M
Then we do it again, baby
