

# Want Dem All (feat. Konshens)

Sean Paul

I want dem all  
Gimmie the gyal, dem money all for work it  
Gimme dem all  
Jump up up up and everybody di di  
I want dem all  
Gimmie the gyal, dem money all for twerk it  
Gimme dem all  
Jump up up up and everybody di di Okay, here we go  
Ladies in the back come up to the front row  
Hello, welcome to the show  
Let me introduce you to the way, let's flow  
Steady my flow, my flow so steady  
So ready set go, come on never get headed  
Just give me any girl, but you still my lady  
My credibility, my step ability Some ice so gimme that booty pretty jamin  
In the worldwide with me, my world could get up in it  
Well now throw me a card, could I even trim it?  
Gimme the gyal and let me score dem just like a Timi nimi nimi, the light man I dim it  
Well bright up so do you can't see me  
All of the girls in the air, dey my women So shake that girl and dance, talk to me  
Shake that girl and dance, talk to me  
Shake that girl and dance, talk to me  
All of the girls in the air, dey my women  
So shake that girl and dance, talk to me  
I want dem all  
Gimmie the gyal, dem money all for work it  
Gimme dem all  
Jump up up up and everybody di di  
I want dem all  
Gimmie the gyal, dem money all for twerk it  
Gimme dem all  
Jump up up up and everybody di di Ladies does it feel good? Hands in the air  
Wave em around like you just don't care  
Hardcore make your problem disappear  
Bounce that booty like a bag full of air Me wanna see, every girl I get real shit  
You know real shit wind, show me put yo B on me  
Flex yo body boom boom boom like a cannon  
Roll and then stand down, one ounce pon around now Every girl that love to party  
You bring that down so cruise to the cold so you forgot and come around  
Then it shake like a earthquake  
They drop it, drop it, let the earth shake So shake that girl and dance, talk to me  
Shake that girl and dance, talk to me

Shake that girl and dance, talk to me  
All of the girls in the air, dey my women  
So shake that girl and dance, talk to me I want dem all  
Gimmie the gyal, dem money all for work it  
Gimme dem all  
Jump up up up and everybody di di  
I want dem all  
Gimmie the gyal, dem money all for twerk it  
Gimme dem all  
Jump up up up and everybody di di Steady gyal, dem really look fat you know  
Steady gyal dem shake, see an art you know  
While up, baby girl, don't stop, you know why?  
I want dem all Get down, yea I talk in the morning  
Keep her unparted and departed  
Police sign, baby go grinding  
Gimme dem all Come and strip it, the girls I get pretty  
'Cause they love my style and this on me politic  
When you flip and dip it, baby girl strip it  
Sean Paul, you don't know where to dip it  
'Cause I bartend, just sound sexy when we dip it  
Any supply, you don't know we a sip it  
Tell the haters and then we have a ticket  
Don't know Sean Paul? That boy wicked So shake that girl and dance, talk to me  
Shake that girl and dance, talk to me  
Shake that girl and dance, talk to me  
All of the girls in the air, dey my women  
So shake that girl and dance, talk to me Follow me baby, I'm taking you for a ride  
It's just me and you, we party in the whole night  
Follow me girl, I wanna make you feel right  
You got nothing to lose, I wanna make you feel right I want dem all  
Gimmie the gyal, dem money all for work it  
Gimme dem all  
Jump up up up and everybody di di  
I want dem all  
Gimmie the gyal, dem money all for twerk it  
Gimme dem all  
Jump up up up and everybody di di
