

# Feel Good

Sean Hayes

No more truth, I'm fucking done with it  
I feel like borrowing powder  
I feel like Polly Jean getting undressed I feel good, it feels good No more need for understanding  
No more questions I'm done, I'm done with it  
Gon' be alone and get it all out And feel good, to feel good  
I feel good, it feels good Please don't come 'round here no, no, no  
Please don't come 'round here no, no, no  
Please don't come 'round here no, no, no  
Please don't come 'round here no, no, no  
No more truth I'm done, I'm done with it  
Don't tell me anything, I don't want to taste it  
High as a motherfucker, there I said it It feel good, to feel good  
To feel good, to feel good My spine is a needle with compass  
Eyes like a cat, heart like a bass drum  
Hips like honey, cock like a diamond  
Asshole flowering, jump jump frog legs  
Ribs and prays shoulder like waterfalls Your spirit knows the beginning and ending  
Your spirit knows the beginning and ending Feel good, now feel good  
It feel good, it feel good Please don't come 'round here no, no, no  
Please don't come 'round here no, no, no  
Please don't come 'round here no, no, no  
Please don't come 'round here...  
My spine is a needle with compass  
Eyes like a cat, heart like a bass drum  
Hips like honey, cock like a diamond  
Asshole flowering, jump jump frog legs  
Ribs and prays shoulder like waterfalls Your spirit knows the beginning and ending  
Your spirit knows the beginning and ending  
Your spirit knows the beginning and ending  
Your spirit knows the beginning and ending Feel good, it feel good  
Feel good, it feel good Please don't come 'round here no, no, no  
Please don't come 'round here no, no, no  
Please don't come 'round here no, no, no  
Please don't come 'round here no, no, no...
