

I Grieve

Peter Gabriel

It was only one hour ago
It was all so different then
Nothing yet has really sunk in
Looks like it always did
This flesh and bone
Is just the way that you were tied in
Now there's no one home I grieve for you
And you leave me It's so hard to move on
Still loving what's gone
And still life carries on
Carries on and on, and on, and on
The news that truly shocks
Is the empty, empty page
While the final rattle rocks
Its empty, empty cage
And I can't handle this I grieve for you
And you leave me Let it out and move on
Missing what's gone
They say life carries on
They say life carries on, and on, and on Life carries on in the people I meet
In everyone that's out on the street
In all the dogs and cats
In the flies and rats
In the rot and the rust
In the ashes and the dust
Life carries on and on, and on, and on
Life carries on and on, and on
It's just the car that we ride in
A home we reside in
The face that we hide in
The way we are tied in
And life carries on and on, and on, and on
Life carries on and on and on Did I dream this belief
Or did I believe this dream
Now I can find relief I grieve
