

# Ride or Die

## Brown Boy

Ride Or Die

(feat. Nikki Flores) Baby I'm a be your ride or die  
I promise I'm a be there by your side forever and ever  
we will be together together cause you make me better  
I'm gonna ride for you,  
I'm a ride for you. You have been there for me baby throughout the years  
all the ups and downs the blood sweat and tears you have always been there right by my side the  
one and only girl  
that's been there to ride  
never once baby did you ever say goodbye  
not even through the times when I made you cry  
you took it all in stride and  
kept your spirits high  
that's the reason why I'm gonna love you till I die  
till the wheels fall off  
until the curtains close  
I put it on my life  
I will never let you go  
you're my angel from above  
amor me vida  
the one that I love that  
I'm always thinking of  
me and you girl we can make it through whatever  
no matter how rainy or stormy the weather  
till death do us part  
we gonna stay together  
I swear on my life I'm yours forever.  
Baby I'm a be your ride or die  
I promise I'm a be there  
by your side forever and ever  
we will be together  
together cause you make me better  
I'm gonna ride for you,  
I'm a ride for you. I'm sorry baby girl  
I done put you through it all;  
all them lonely nights  
without a phone call  
I know it's kind of hard  
and your trying to cope  
but I can see it in your eyes  
you ain't giving up hope  
you always kept your head up

and always stood strong  
even through them times  
when I did you wrong  
you're my inspiration  
when I can't go on  
that's the reason why  
I dedicate you this song  
when the times get rough  
you take the weight up off my shoulders  
I salute you girl  
you're my ride or die soldier  
the air in my lungs  
that helps me breathe  
I'm gonna love you girl until I D.  
I.E.

no matter if the world's coming down on me  
I know you will be there to  
fight the war with me  
I swear to god baby  
I'm a always have your back  
if my life was a movie  
and this the soundtrackBaby I'm a be your ride or die  
I promise I'm a be there  
by your side forever and ever  
we will be together  
together cause you make me better  
I'm gonna ride for you,  
I'm a ride for you.  
Your always gonna be the one for me  
I promise to love you for eternity  
I give you my heart  
I give you my soul  
promise me baby  
you'll never let me go  
cause I need you by my side  
I need you here to ride  
if I didn't have you I'd probably die.  
Baby I'm a be your ride or die  
I promise I'm a be there  
by your side forever and ever  
we will be together  
together cause you make me better  
I'm gonna ride for you,  
I'm a ride for you
