

# Misery Business

## Paramore

I'm in the business of misery  
Let's take it from the top  
She's got a body like an hourglass that's ticking like a clock  
It's a matter of time before we all run out  
When I thought he was mine she caught him by the  
mouth  
I waited eight long months  
She finally set him free  
I told him I can't lie he was the only one for me  
Two weeks and we had caught on fire  
She's got it out for me  
But I wear the biggest smile  
Whoa, I never meant to brag  
But, I got him where I want him now  
Whoa, it was never my intention to brag  
To steal it all away from you now.  
But god does it feel so good  
Cause I got him where I want him right now  
And if you could then you know you would  
Cause god it just feels so  
It just feels so good  
Second chances they don't ever matter, people never change  
Once a whore you're nothing more,  
i'm sorry, that'll never change  
And about forgiveness, we're both supposed to have exchanged  
I'm sorry honey, but I'm passing  
up, now look this way  
Well there's a million other girls who do it just like you  
Looking as innocent as possible to get to who  
They want and what they want it's easy if you do it right  
Well I refuse, I refuse, I refuse  
Whoa, I never meant to brag  
But, I got him where I want him now  
Whoa, it was never my intention to brag  
To steal it all away from you now.  
But god does it feel so good  
Cause I got him where I want him right now  
And if you could then you know you would  
Cause god it just feels so  
It just feels so good  
I watched his wildest dreams come true  
Not one of them involving you  
Just watch my wildest dreams come true  
Not one of them involving  
Whoa, I never meant to brag  
But, I got him where I want him now  
Whoa, I never meant to brag  
But, I got him where I want him now  
Whoa, it was never my intention to brag  
To steal it all away from you now

But god does it feel so good  
Cause I got him where I want him right now  
And if you could then you know you would  
Cause god it just feels so  
It just feels so good
