

# Good Times

## The Persuasions

Good times, good times  
There's gonna be good times, good times  
Got no job, baby  
And my pockets don't seem to have a jingle  
But as long as you let me hold you tight  
Everything is gonna be alright  
Everything is gonna be alright, baby  
Things are lookin' real bad  
Real bad, baby  
I can't afford the fancy dancing places  
But as long as you have faith in me  
We'll have ourselves a grand time, oh yes we will  
There'll be no dancing down, Lord knows  
There's gonna be good times  
We'll have the world on a silver platter  
The only thing right now that matters  
Is keepin' you right here with me for now  
Only thing I got is a little love to offer you  
But as long as you tell me I'm your man  
We'll have ourselves a ball  
We'll love, but that ain't all  
We don't need a whole lot of money  
All we need is a little bit of honey  
I know there's gonna be good times  
There's gonna be good times  
There's gonna be good times  
There's gonna be good times  
Good times, good times  
There's gonna be good times  
There's gonna be good times  
There's gonna be good times
