

# Time

## Mikky Ekko

Well, the streets are empty where we used to run,  
and the cars are all on fire  
Yeah, we fall like leaves in the garden of Eden, Eden  
Now remember how it felt being in the sun, when I heard the ancient choir  
And the dead of night like an angel singing, singing 'Cause time doesn't love you anymore  
But I-I-I I'm still knocking at your door  
Honey we can run forever, if forever it's what's install  
Oh, time to take me home  
On a tree in the garden I carved your name,  
an word is spelled desire!  
Like an ocean deep with the waters even, even  
And the love pours down like a waterfall, and I can't escape the tide  
Here's my hand, baby take it or leave it, leave it 'Cause time doesn't love you anymore,  
But I-I-I I'm still knocking at your door  
Honey we can run forever, if forever it's what's install  
Oh, time to take me home-oooh oooh oooh oooh Now we're too young to recognize  
Nothing stays the same  
Promise I won't be the one to blame!  
'Cause time doesn't love you anymore,  
But I-I-I I'm still knocking at your door  
Honey we can run forever, if forever it's what's install  
Oh, time doesn't love you like I love you!  
So take me home-oooh oooh oooh oooh  
Let me hear you say, let me hear you say
