

In the Future

Tub Ring

Will My Ankles Touch The Floor
Cause I Can't See Them Anymore And
Why Are These Things Now So Clear To Me The Past And Present Only Make The Proof
Of Humans Big Mistake
And Others How Have Sight Refuse To See In The Future
All The Strong Will Meet The Wise
In The Future
I Can See It In My Eyes
What Does It Mean
At The End Of It
What Will It Mean
When Our Voices Quit Sound
Contraception Obsolete
The Water Drank Will Do The Deed
And Nary Will The Men Suspect A Thing Power Aphrodisiac
Where Nature Comes To Bring Us Back
Without The Consequence Of What It Brings In The Future
All The Strong Will Meet The Wise
In The Future
I Can See It In My Eyes
What Does It Mean
At The End Of It
What Will It Mean
When Our Voices Quit Sound Cannibals From Normal Men
Past The Point And Back Again
And Unsuspecting Pittsburgh Is The Key
One Thousand Strong Will Roam The Street
And Dictate What They Want To Eat
While Victims Of The Strangeness Try To Flee In The Future
All The Strong Will Meet The Wise
In The Future
I Can See It In My Eyes
What Does It Mean
At The End Of It
What Will It Mean
When Our Voices Quit Sound It's So Real
It's So Real To Me
What I Choose
What I Choose To See It's So Real
It's So Real To Me
What I Choose
What I Choose To See I Don't Make The (?)

I Just Know The Outcome Hear Me Now And Heed My Call
The Mighty Criswell Sees It All
Events That Happen Soon Will Prove My Case One Day You'll Look Back On Me
And Know My Visions Were The Key
To Conservation Of The Human Race In The Future
All The Strong Will Meet The Wise
In The Future
I Can See It In My Eyes
What Does It Mean
At The End Of It
What Will It Mean
When Our Voices Quit Sound In The Future
All The Strong Will Meet The Wise
In The Future
I Can See It In My Eyes
What Does It Mean
At The End Of It
What Will It Mean
When Our Voices Quit Sound
