

Never Give Up

Yolanda Adams

Visions that can change the world
Trapped inside an ordinary girl
She looks just like me
Too afraid to dream out loud And though it's set for your idea
It won't make sense to everybody
You need courage now
If you're going to persevere To fulfill your divine purpose
You've gotta answer when you're called
So don't be afraid to face the world
Against all odds Keep the dream alive don't let it die, if something deep inside
Keeps inspiring you to try, don't stop
And never give up; don't ever give up on you
Don't give up
Every victory comes in time
Work today to change tomorrow
It gets easier
Who's to say that you can't fly? Every step you take you get
Closer to your destination
You can feel it now
Don't you know you're almost there? To fulfill your divine purpose (oohh oohh yeah yeah)
You've gotta' answer when you're called
So don't be afraid to face the world
Against all odds Keep the dream alive don't let it die, if something deep inside
Keeps inspiring you to try, don't stop And never give up; don't ever give up on you...
Sometimes life can place a stumbling block in your way
But you've gotta keep the faith
Bring what's deep inside your heart
To the light And never give up
Don't ever give up on you
Don't give up Who holds the pieces to complete the puzzle?
The answer that can solve a mystery
The key that can unlock your understanding
It's all inside of you
You have everything you need Oh so, keep the dream alive don't let it die
If something deep inside keeps inspiring you to try
Don't stop
And never give up; don't ever give up on you... Sometimes life can place a stubborn block on
your way
But you gotta keep the faith
Bring what's deep inside your heart yeah, your heart
To the light
And never give up

Don't ever give up on you
No, don't give up
No, no, no, no
Don't give up
Don't give up
Don't give up
Oh, don't, no, no, no, no
Don't... give... up
