Never Give Up

Yolanda Adams

Visions that can change the world Trapped inside an ordinary girl She looks just like me Too afraid to dream out loudAnd though it's set for your idea It won't make sense to everybody You need courage now If you're going to persevereTo fulfill your divine purpose You've gotta answer when you're called So don't be afraid to face the world Against all oddsKeep the dream alive don't let it die, if something deep inside Keeps inspiring you to try, don't stop And never give up; don't ever give up on you Don't give up Every victory comes in time Work today to change tomorrow It gets easier Who's to say that you can't fly? Every step you take you get Closer to your destination You can feel it now Don't you know you're almost there?To fulfill your divine purpose(oohh oohh yeah yeah) You've gotta' answer when you're called So don't be afraid to face the world Against all oddsKeep the dream alive don't let it die, if something deep inside Keeps inspiring you to try, don't stopAnd never give up; don't ever give up on you... Sometimes life can place a stumbling block in your way But you've gotta keep the faith Bring what's deep inside your heart To the lightAnd never give up Don't ever give up on you Don't give upWho holds the pieces to complete the puzzle? The answer that can solve a mystery The key that can unlock your understanding It's all inside of you You have everything you needOh so, keep the dream alive don't let it die If something deep inside keeps inspiring you to try Don't stop And never give up; don't ever give up on you...Sometimes life can place a stubborn block on your way But you gotta keep the faith Bring what's deep inside your heart yeah, your heart To the light And never give up

Don't ever give up on you No.don't give up No, no, no, no Don't give up Don't give up Don't give up Oh, don't, no, no, no, no Don't... give... up
