

# Love Song

## Tesla

So you think that it's over  
That your love has finally reached the end  
Any time you call, night or day  
I'll be right there for you when you need a friend, yeah It's gonna take a little time  
Time is sure to mend your broken heart  
Don't you even worry, pretty darlin'  
I know you'll find love again Yeah, love is all around you  
Love is knockin' outside your door  
Waitin' for you is this love made just for two  
Keep an open heart and you'll find love again, I know  
Love is all around you, yeah  
Love is knockin' outside your door  
Waitin' for you is this love made just for two  
Keep an open heart and you'll find love again, I know It's all around Love will find a way  
Darlin', love is gonna find a way  
Find its way back to you  
Love will find a way  
So look around, open your eyes  
Love is gonna find a way  
Love is gonna, love is gonna find a way  
Love will find a way  
Love's gonna find a way back to you, yeah  
I know  
I know  
I know  
I know
