

# The Kids Don't Stand a Chance

## Vampire Weekend

A devastating backstroke  
All the way from France  
With shiny, shiny cufflinks  
A shirtsleeve to enhance  
The pin-striped men of morning  
Are coming for to dance  
With pure Egyptian Cotton  
The kids don't stand a chance  
You criticize the practice  
By murdering their plants  
Ignoring all the history  
Denying them romance  
The pin-striped men of morning  
Are coming for to dance  
Forty-million dollars  
The kids don't stand a chance  
I didn't like the business  
But that was at first glance  
Your pillow feels so soft now  
But still you must advance  
The pin-striped men of morning  
The partners in the dance  
The paper's shot to pieces  
The kids don't stand a chance
