

What Is This (feat. Rosie Lowe)

Machinedrum

'Cause I'm still thinking 'bout you
I'm thinking 'bout you I've done my everything to appraise you
So many nights I spent dressing under you
Was it this love for me that was easy?
That I could and pick weave in you through me 'Cause I'm still thinking 'bout you
I'm thinking 'bout you
'Cause I'm still thinking 'bout you
I'm thinking 'bout you 'Cause I'm still thinking 'bout
I'm thinking 'bout
'Cause I'm still thinking 'bout
Still thinking 'bout
'Cause I'm still thinking 'bout
I'm thinking 'bout
'Cause I'm still thinking 'bout
Still thinking 'bout you
'Cause I'm still thinking 'bout you
I'm thinking 'bout you
'Cause I'm still thinking 'bout you What is this love I'm addicted to?
What is this love I'm addicted to?
What is this love, love, love, love, love?
What is this love? Made up your mind that you were through with it
Put your consistent labour on my lips
Your fair play control 'cause we're the flick of your switch
I could be safe and fearless, so unwanted I'm thinking 'bout you
I'm thinking 'bout you
'Cause I'm still thinking 'bout you
I'm thinking 'bout you
Still thinking 'bout
I'm thinking 'bout
'Cause I'm still thinking 'bout What is this love I'm addicted to?
Oh, what is this love I'm addicted to?
What is this love, love, love, love, love?
