

# Bohemian Rhapsody

## Panic! At the Disco

Is this the real life?  
Is this just fantasy?  
Caught in a landslide  
No escape from reality Open your eyes  
Look up to the skies and see  
I'm just a poor boy  
I need no sympathy, Because I'm easy come, easy go  
A little high, little low  
Anyway the wind blows  
Doesn't really matter to me, to me Mama, just killed a man  
Put a gun against his head  
Pulled my trigger, now he's dead  
Mama, life had just begun  
But now I've gone and thrown it all away  
Mama, oh  
Didn't mean to make you cry  
If I'm not back again this time tomorrow Carry on, carry on  
As if nothing really matters  
Too late, my time has come  
Sends shivers down my spine  
Body's aching all the time  
Goodbye everybody, I've got to go Gotta leave you all behind  
And face the truth  
Mama, oh, I don't want to die  
I sometimes wish I'd never been born at all I see a little silhouetto of a man  
Scaramouche, scaramouche will you do the fandango  
Thunderbolt and lightning, very, very frightening me  
Galileo, galileo  
Galileo, galileo  
Galileo, figaro, magnifico  
I'm just a poor boy and nobody loves me  
He's just a poor boy from a poor family  
Spare him his life from this monstrosity Easy come, easy go, will you let me go?  
Bismillah! No, we will not let you go  
Let him go Bismillah! We will not let you go, let him go  
Bismillah! We will not let you go, let me go  
Will not let you go, let me go, never  
Never let you go, let me go Never let me go, oh  
No, no, no, no, no, no, no  
Oh mama mia, mama mia, mama mia let me go  
Beelzebub has a devil put aside for me For me  
For me

So you think  
You can stone me and spit in my eye  
So you think you can love me  
And leave me to die  
Oh baby, can't do this to me baby  
Just gotta get out  
Just gotta get right outta here  
Oh, oh yeah, oh yeah  
Nothing really matters  
Anyone can see  
Nothing really matters  
Nothing really matters to me  
Anyway the wind blows
