

I'm Horny

E-Rotic

E-rotic - I'm Horny I'm horny
Can't you hear what I say
I'm so horny
And tonight I swear I'll be with you, baby everywhere
I will kiss you
and I'll touch you inside
I'm horny
baby, I'm horny
(ohhh, mmmmhh) I don't know how
You can feel when emotion turn the wheel
I want you, gonna do it tonight
Come to me if you need some action
I'm by your side and I wanna to it right
Baby I'm you're sex attorney,
and I know you're horny
I'm horny
Can't you hear what I say
I'm so horny
And tonight I swear I'll be with you, baby everywhere
I will kiss you
and I'll touch you inside
I'm horny
And I've got what you need
oh, I'm horny
Can you feel the heat
Like I told you, you can strangle the fight I will hold you
While you go for a ride
I'm horny
baby, I'm horny
(ohhh, mmmmhh, ohh ooohhh)
I'm horny
baby, I'm horny
Make me feel hot
I'll tell you why
You can whisper, you can cry, forever
Baby, gimme me your love
Gimme more I cant get enough
I need it, I believe it's true, I just need much more of you
I dont think you're overcorney
When you say your really horny I'm horny
Can't you hear what I say
I'm so horny

And tonight I swear I'll be with you, baby everywhere
I will kiss you
and I touch you inside
I'm horny
And I've got what you need
oh, I'm horny
Can you feel the heat
Like I told you, you can struggle the fight I will hold you
While you go for a ride I'm horny
baby, I'm horny
(ohhh, mmmmhh, ohh oooohhh)
I'm horny
baby, I'm horny
I'm horny
baby, I'm horny I'm horny
(ooohhhhh)
(mmmmhhhh) I'm horny
Can't you hear what I say
I'm so horny
And tonight I swear I'll be with you, baby everywhere
I will kiss you
and I touch you inside
I'm horny
And I've got what you need
oh, I'm horny
Can you feel the heat
Like I told you, you can struggle the fight I will hold you
While you go for a ride I'm horny
baby, I'm horny
(ohhh, mmmmhh, ohh oooohhh)
I'm horny
baby, I'm horny (mmmmhh)
